

## EBSR Statistics November 2008

### Bus Service Registrations

Although the majority of Bus service registrations are still submitted on paper, the proportion being submitted electronically is growing. At the end of November 2008, almost 20% of registrations were either already in electronic format, in the transition to electronic or were committed to eventual conversion to electronic. To date VOSA have handled almost 1400 electronic registrations, with only 5 failures.

### Local Authority Take-up

36 local authorities (25% of all) are currently receiving EBSRs. A further 40 have registered with VOSA in anticipation of receiving EBSRs.

Local Authorities that have not yet registered can do so by emailing Phil Jowitt at VOSA at [phil.jowitt@vosa.gov.uk](mailto:phil.jowitt@vosa.gov.uk). You will need to set up a dedicated email address in the format [ebsr@localauthorityname.gov.uk](mailto:ebsr@localauthorityname.gov.uk). Details of any electronic registrations submitted for your area will be sent to this address.
